Automotive Industry Rewarded Through SR&ED Tax Relief Program

In an industry that has to create new methods with new technologies to supply a quality product in a very competitive market. The automotive industry has many in depth areas, and processes that maybe getting overlooked. With increased competition yearly from foreign companies the Canadian automotive industry is increasing R&D spending

Examples of Eligible SR&ED activities: (Automotive)

- Developing new automobiles, trucks, parts, assemblies, tooling and new production processes.
- Development of new or improved production equipment.
- Development of new coatings and improvements to coating processes.

If you find your company currently takes part in any of these activities, then why wait to take advantage of the SR&ED tax credit program to receive healthy credit for your innovations?

You are only a few steps away from getting what your company truly deserves for creating, innovating, and developing new products and/or processes.

The Scientific Research and Experimental Development Program:

SR&ED incentives take the form of tax credits, and accelerated or additional tax deductions for expenditures made on research and development. Canadian businesses of all sizes, in all sectors are eligible to receive SR&ED tax credits. The incentives range from 20% of the expenditure, to almost 50% in favorable circumstances.

SR&ED expenditures can include **wages, materials, machinery, equipment, overheads**, and SR&ED **contracts**.

Braithwaite Technology Consultants Inc. can assist you in obtaining tax credits for research and development activities. Whether your work involves basic research, applied research, or experimental development, Braithwaite can take the uncertainty out of the filing process and get you the credit you deserve for your innovation.

- We annually help over **500** companies find tax recovery opportunities.
- **10,000** claims over 24 years have made Braithwaite the leading independent SR&ED tax credit practice in Canada.
- No other firm matches our **99% success rate** in terms of claims made.
